

GSRA MATTERS

Golf Side Residents Association

SUMMER IS HERE . .

and so are the builders.

Please be patient as the building works will be with us until next Summer.

Number 24 started up with the ground works last month and the building phase is expected

to start mid September. The extension to Number 26 will also be starting mid September. Both plan completion Summer 2018.

BIN DAYS

Our day is Wednesday. Check our website for pick up schedule.

**PLEASE
REMEMBER TO
PUT YOUR BINS
AWAY INSIDE
YOUR GATES**

IN MEMORY

It is with great sadness we report that Anne Fraser passed away in July. Anne was a long standing resident of Golf Side. Our condolences to Ian and their family.

GATES 'UPDATE'

Bob Livingston has heard favourably from Sutton Council on a pre-application for 5 bar gates at both ends of Golf Side. If any other residents would like to seek pre application approval for a considered gate design please obtain by the end of September 2017 so that a road consensus can be achieved and a full application can be sought later this year. Pre Application costs will be borne by the GSRA.

Xmas Venue

Please let us have your suggestions and associated costings for a venue to accommodate the 2017 Golf Side Christmas Party.

TIME IS RUNNING OUT!

Road Subs

Believe it or not there are still six residents who have not paid their road subs for this year, and even some from last year. Every resident is automatically a member of the GSRA and are bound to pay this nominal fee for the upkeep and welfare of Golf Side. Your Committee **volunteers** will not continue to waste time chasing non payers down but will simply take offenders to court. Starting 2018 subs will be collected by direct debit, details of which will be forthcoming.

REPORT IT!

Please let the Committee know straight away about things that affect the safe use of the road ie. gates not working properly, soak away drains blocked etc. You should report broken street lamps in front of your property directly to the council yourself.
