**CHECK
YOUR SPEED!**

Speeding on Golf Side is at an all time high. Not only is it the large number of contractors working on the road, whether builders, couriers, or food delivery bikes, but also many of the residents themselves. Golf Side has always been a shared use roadway and we all need to make an effort to check our speed and educate those who visit Golf Side on our behalf, of our private road restrictions & concerns.

THE CONSEQUENCES OF IGNORING THE SPEED LIMIT ON GOLF SIDE IS NOT A PLACE ANY OF US WANT TO GO, EITHER FROM AN ENFORCEMENT POINT OF VIEW OR A TRAGEDY OCCURRENCE.
