SPRING HAS SPRUNG!

GATES - Update - The Committee received a response from Sutton Council regarding our Pre-Planning enquiry a few weeks ago. Due to the current situation in which the World finds itself, the reply was made in written form and essentially the Council supported our proposal. They reference their preference for white wooden gates and for them to be slightly lower. We have made arguments to support that the gates should remain as white painted metal and of the size laid-out in the plans. The full application along with the updated covering letter and fees were submitted to Sutton on Friday, May 1st.

BROADBAND - Completed - As you all know by now the high speed fibre is in place on Golf Side. You will also be aware that most residents are unable to arrange for BT (or any other suppliers) to connect to their homes until the virus restrictions are lifted.

ROAD MANAGEMENT - Please remember it is your responsibility to maintain the verges. This includes keeping the curbs clear of leaves, weeds and debris so as not to block the soak away drains. Bins and rubbish should be removed..

VOLUNTEER VIRUS SUPPORT - A reminder that a list is being maintained by Anup Sharma (36) of those people offering support to residents in need of a little assistance during these trying times e.g. food runs.

Whatsapp

The **GSRA SECURITY** WhatsApp has a new look!! The app. Is proving very effective at passing on timely security information.

There is a second group maintained for Road Admins only that has grown to include:

Cuddington Way, Higher Drive, Gilhams Avenue, Banstead Road, Cuddington Park Close and part of The Drive

Any relevant security information is passed around all the road groups as it is posted.

NEW!

GSRA CHAT WhatsApp group for Golf Side residents to quickly and easily communicate with each other. Other road groups have adopted a similar approach (and you won't need to keep going through the Committee to reach the rest of the road)

Let a Committee member know and you will be added to the group.

Crime

Although crime seems to have taken a back seat while we are all at home, there seems to be a pattern of opportunity thefts on the rise in the area as of late. Please ensure you follow all the guidance available to you to keep your vehicles and homes secure.

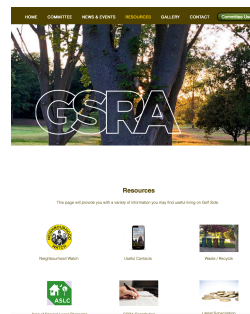

Golf Side is

Your Website

A reminder that the GSRA website is a good resource for Golf Side and surrounding area information. Please take time to look through it and contribute if able.
