

GSRA MATTERS

Golf Side Residents Association

ISSUE 6

A lot has happened (relatively speaking) on Golf Side this year, most notably is the departure of some long time residents and the arrival of four new families. A warm welcome to the Amir family at number 2 and the Collins family at number 41. Awaiting details from number 23 and number 39.

The Association has voted for new gates just before the Summer break and steps towards planning permission have been taken. Along with the new gates, a new security system will also be installed. Rather than wait for the new gate planning process we will be installing the new cameras later in September and make any adjustments necessary when the new gates do arrive.

Lastly, the broadband fibre service contract has been signed and deposit paid, so we can expect a survey of the road by Openreach in the near future and a completion date sometime inside a year.

Plenty of work to be done by the Committee regarding the additional projects of gates, security and fibre on top of the normal road maintenance. Unfortunately Karen can no longer continue on the Committee and I would like to thank her for her help and support these past few years.

Please bare with us while we manage these projects in our free time.

Crime

We seem to have enjoyed a mostly crime free 2019 until now but a report of 'chancers' in the wee small hours last week would suggest Golf Side is again a target. Taking the time to secure your property at night will hopefully prevent further theft. If you have not yet joined the GSRA WhatsApp security group please contact a member of the Committee.

Whatsapp

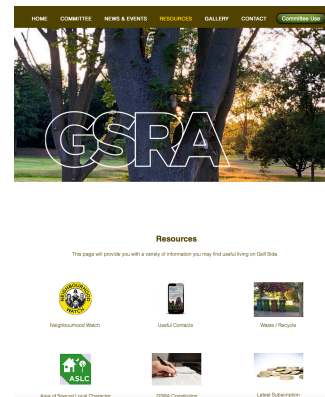

The GSRA security WhatsApp is proving very effective at passing on timely security information, not only for our road but information from some of our neighbouring roads that keeps us aware of what is going on around us.

Association Fees

A reminder to those who have still not paid their road subscription fees to please do so. It is a tiring exercise to chase residents and totally unnecessary. For those of you who have paid the wrong amount please top up to the correct amount unless a prior arrangement has been made. Thank you.

Building Works

With building work now completed at 26 and shortly to be finished at 41 we have not been made aware of any other building work in the pipeline.

Enjoy your Autumn and please let the Committee know of matters concerning the wellness of the road
