Real Christmas tree collection

From Monday 14th January to Saturday 26th January 2019, we will be collecting real Christmas trees for free from houses on the standard kerbside collection service.

Please remove all decorations, tree pots and place your tree out for collection by 6am on the day that your brown wheelie bin is emptied.

You can also take your real Christmas tree for free to the Household Reuse and Recycling Centre at Kimpton Park Way.

Make space for recycling this Christmas

Most of us produce more recycling over the Christmas and New Year period. If your green recycling box is full, you can put your plastics, glass, cans and cartons in untied plastic bags, cardboard boxes or your own plastic boxes. Pop them next to your recycling box on collection day and our crews will make sure it all gets recycled.

No space in your food waste bin? Put your kitchen caddy out as well as your food waste bin on your collection day.
