Golf Side Residents Association

ISSUE 7

Merry Christmas!

Welcome to the Christmas edition of our newsletter.

GATES - The gate drawings and quote are being modified to accommodate resident request and this will then be submitted with the rest of the pre-application before Christmas.

BROADBAND - Meeting held with OpenReach build team today to understand next steps. Build requirements were hi-lighted by them and our need for up to date communication so as to keep you all aware of activity on the road. Changes to their current build proposal will result in delays but with no surprises they are hopeful to have the the OpenReach element completed in April 2020. As a reminder, it is then up to you should you wish to upgrade your current service with your existing broadband provider.

ROAD MANAGEMENT - Please remember it is your responsibility to keep the verges maintained and clear of bins and rubbish. This includes keeping the gutters clear of leaves, plants and debris so as not to block the soak away drains.

CHRISTMAS PARTY - A thank you to Becky 22 and Karen 4 for organising yet again the Christmas bash being held this year at the Reigate Manor.

Crime

A crime wave is sweeping through Banstead and Cheam so please ensure you are doing everything necessary to protect your property.

Whatsapp

The GSRA security WhatsApp is proving very effective at passing on timely security information, not only for our road but information from some of our neighbouring roads that keeps us aware of what is going on around us.

Speeding

The same old residents continue to speed on the road. Please don't carry on with this practice as it shows a clear disrespect for your fellow residents so don't treat it like your own private speedway!

Thank you to the Committee members and advisors for all their time and support this year.

**PLEASE
REMEMBER**

**The
