# The Year that has been 2023

Summer Street Party

---

Lamppost refurbishment, painting  
and renumbering

---

Protecting the beauty and character of Golf Side  
through defence of the ASLC or Land Registry  
has been a full- time job  
for the Committee this year

---

The seven trees planted along Golf Side for the  
Queen's Jubilee have all survived 2023 and are  
now starting to provide colour and character  
to our road.

They also provide much needed shade for the  
gate cabinets and verge preservation.

---

The introduction of the gate opening  
and closing schedule has meant far less  
wear and tear and maintenance visits. It  
is a balance between security and care.

---

# SPEEDING

With so much building work taking place on the road and more underway in 2024, we all need to be much more safety conscience than we have been, and that especially applies to driving too fast on Golf Side. Much of the speeding is of our own making, so we again remind residents to please observe the speed limit and reiterate the speed limit to your visitors and contractors as well..

15mph is set for the well being and safety of all users of the road, particularly when it comes to pedestrians, both young and old.

**Help keep Golf Side a safe place to live.**

# Did you know . . .

There is a whole section of your GSRA website dedicated to resident recommended services

visit [golfside.uk/recommended](http://golfside.uk/recommended)

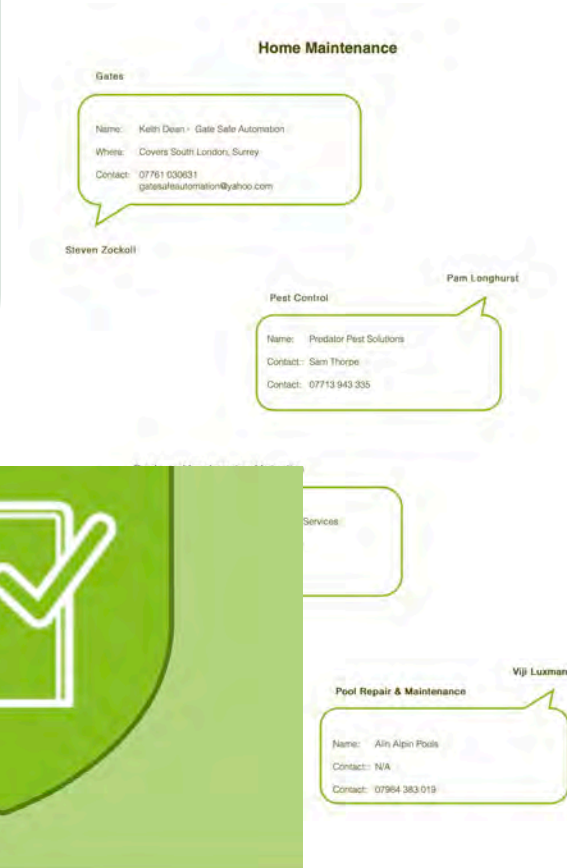

## BE CONSIDERATE

### Street Parking

Visitors should park on your drive before parking on our narrow roadway.

# RECYCLING AND RUBBISH COLLECTION TIMETABLE 2023-2024

**Your collection day is WEDNESDAY**

Please remember to put your bins out by 6am

It really helps if you...

**Flatten cardboard** boxes before putting them in the green wheelie bin

**Empty and rinse** all containers before putting them in the green box

**Remove film lids** from plastic pots, tubs and trays (put the film lids in your brown wheelie bin)

Only place items that cannot be recycled in your **brown wheelie bin** - no food waste please

On collection day, place your bins at the **front edge of your property**, close to the pavement but not on it

For a complete list of what can and can't be recycled, please visit: [sutton.gov.uk/recycling](https://sutton.gov.uk/recycling)

Download your own copy from our website [golfside.uk/resources](https://golfside.uk/resources)

\* Collections will change over the Christmas and New Year period and may take place up to four days later than usual. This calendar shows your revised collection days where appropriate.

\* Real Christmas tree collections start on 8th January. Put your tree out from Monday 8th January and it will be collected as soon as possible.

## Street Lamps

Please remember it is your responsibility to report to Sutton Council when a bulb is burned-out in the lamppost in front of your property.

**GSRA**

*Merry Christmas!*

From your **GSRA** Committee
