★ Collections will change over the Christmas and New Year period and may take place up to three days later than usual. This calendar shows your revised collection days where appropriate.

★ Real Christmas trees collections start on the 6th January. Put your tree out from the date with the green star in January and it will be collected as soon as possible.

### It really helps if you...

**Flatten cardboard** boxes before putting them in the green wheelie bin

**Empty and rinse** all containers before putting them in the green box

**Remove film lids** from plastic pots, tubs and trays (put the film lids in your brown wheelie bin)

Only place items that cannot be recycled in your **brown wheelie bin** - no food waste please

On collection day, place your bins at the **front edge of your property**, close to the pavement but not on it
